2015 CATERPILLAR 745C

USD \$ 499,000.00

Details

Category: Construction Equipment

Manufacture: Caterpillar

Capacity: 2000 Gallon

Condition: Used

Sub Category: Trucks

Model: 745C

Year Of Manufacture: 2015

Location: Florida, United States

Description

New Premier 2000 Gallon Fuel/Lube Truck, 2 year 2,000 Hr Powertrain and Hydraulic warranty! OIL SYSTEM 6 - Hyd driven 1:1 oil pump 6 - hyd solenoid valve 6 - 327033 adapters 6 - High flow Digital Oil Meters 6 - Alemite 50' x 1/2" oil reels 6 - NPN hose kit 6 - NPN ball valves & nipples 6 - Inline Product Filters ANTIFREEZE SYSTEM 1 - 3/8" Air operated pump 1 - CO7 Regulator 1 - 180685 water bibb 1 - 8078F 3/8" Alemite reel 1 - NPN conn hose kit CHASIS SYSTEM 1 - 8549-A1 Air operated 70:1 400lb. pump 1 - Alemite 50' x 3/8" reel 1 - NPN conn. Hose kit 1 - CO7 combo 1 - 6320 control w/swivel 1 - Tie Downs 1 - Insulated blanket 1 - Heated Base to be supplied from coolant line on truck. AIR SYSTEM 1 - Miller Enpak A30EA with power, jump start, welding and air 1 - NPN air manifold kit 1 - Alemite 50' x 1/2" air reel 50 HP hyd power pack to run all hyd of lube bed 1 - Hyd Tank 1 - Pull fuel from 2000 fuel tank WATER SYSTEM WITH LOW POINT DRAINS AT TANK AND AT PUMP 1 - 1" Air operated pump 1 - 1" x 50' Alemite Water Reel 1 - Adjustable water spout 1 - NPN coupler kits 1 - NPN conn hose kits 1 - 1/2" regulators 1 - 2" water pipe fill with 6" air gap on tank WASTE OIL 1 - TPL hyd operated pump 1 - 1" x 40' Alemite Waste Oil Reel 1 - NPN Y-strainers 1 - NPN coupler kits 1 - NPN conn hose kits 1 - TPL solenoid valve FUEL SYSTEM WITH PRIORITY FLOW FOR FUEL 1 - 1 1/2" Hyd. Operated Fuel Pump 1 - 1 1/4" Fuel Reel w/ 75' Hose with 1290 nozzle electric rewind reel 1 - 1 1/2" Tuthill Fuel Meter 1 - NPN Connecting Hose TANKS WITH VENT FILL 6 - 1-200 & 5-100 gallon Oil 1 - 100 gallon Antifreeze Stainless 1 - 500 gallon Water Stainless WITH FILL PIPE & 6" air gap & Drain 1 - 500 gallon Waste 1 - 2000 Diesel Semi Elliptical Tank with Fast fill on tank, built to fit frame and cab 8 - LED Spot lights 4 - 4100 Lum Spots on side of Truck 1 - Back up alarm 1 - Hyd Valve and switch kit 1 - 20' Flat Bed w/ Rear Step Access with Split Enclosed Reel Cabinet W/Lockable Roll up Doors. 1 - Tool Box mounted in rear compartment (5 drawers) to be as wide as possible 1 - Tool box mounted in drivers side underbody box (4 drawers) 1 - 4 drawer tool box mounted under passenger side rear reel cabinet for small tools 2 - Storage Boxes on each side of Fuel tank with swing door. 1 - Rear Vision Back up camera with LCD screen. 2 - Above body storage boxes to open to inside of body 1 - All compartments to have strip lighting installed. 1 - 20lb Fire Ext mounted in rear 1 - Used Filter peg pan in passenger side underbody storage box 1 - Rear manifold Fill from rear box for all oil, antifreeze products. Fuel to have fast-fill attachment on side of tank.
